

Injection MD Workflow

In some areas, contrast injections must be performed by a licensed physician, who then signs off that they verified the patient's identity and injected the patient.

User must be defined as an Injection Physician in the personnel table.

General	Resource	Account	Notes	Attachments	Preferences
---------	----------	---------	-------	-------------	-------------

Resource Type

Referring physician
 Radiologist
 Surgeon
 Editor
 Technologist
 Unknown referring
 UM Reviewer
 Injection Physician
 Marketing representative

Additional Resources

Injection fields can be found in the Exam details tab.

User will be auto populated in both fields.

Patient	Clinical	Order	Documentation	Exam Details	Billing Codes	Attachments
---------	----------	-------	---------------	--------------	---------------	-------------

Contrast				Sedation
Name	Amount	Unit	Vials	Name
Omnipaque	14	cc	1	
<input type="button" value="Add"/> <input type="button" value="Delete"/>
