

## **Create Critical Result**

eRAD RIS offer the ability to track a critical result delivered to a referring provider. This can be completed on any study in exam done or later status

For a Radiologist:

1. From the Pending Dictation WL click the critical result button at the bottom left.

2. Complete the fields.

Critical Result	
New	Choose the contact method
CTRM	Contact Log
Refemi Arnold, Bob 5551234567	Method Email sent
Categ Choose the Catagory Urgent - Radiologist needs to speak with Referring directly	
O Confirm that Referring has reviewed the results	<b>T</b>
