SUMMARY

This CUSTOMER RELEASE NOTES document describes the purpose, configuration, and operation of new features made available with this release, identifies issues resolved in the release, and highlights any unresolved known limitations.

Please carefully review these release notes even if your system will not be upgraded immediately, to identify and communicate any issues that may affect your organization.

Intended Audience

The intended audience for this document is the RIS Administration team for all eRAD RIS customers.

The intent of this document is to describe the content of the build or hotfix with sufficient detail for a Customer to be able to understand the features, and for the Customer's RIS Administrator to be able to perform routine configuration of features.

This information should be used by all customers to determine how these changes affect their organization's workflow, and to plan their organization's upgrade strategy for eRAD RIS.

There is no separate SERVICE RELEASE NOTES edition of this document.
